Bachelor of Arts
Major: Christian Ministry, General Ministry
126 credits required for graduation

Expected Learning Outcomes
- Explore personal giftedness and calling for ministry through use of assessment tools and spiritual reflection
- Develop spiritual disciplines necessary for healthy formation in Christian life and leadership
- Apply biblical and theological understanding as an essential foundation for all vocational ministry
- Demonstrate understanding of common general practices in vocational ministry (e.g. preaching and teaching, pastoral care and counseling, church leadership and administration, weddings and funerals, evangelism and discipleship, baptism and ordination, etc.)
- Exhibit a perspective for vocational leadership that is enriched by the liberal arts and sciences
- Articulate an understanding of the Christian faith that is rooted in a distinct biblical worldview
- Demonstrate effective ability to provide ministry within diverse areas of ministry leadership

Degree Summary
This degree prepares students for general areas of vocational leadership within the church. As a part of Cincinnati Christian University's Teaching Church program, students within these majors learn through traditional academic study, complemented by progressive field-based co-curricular experiences, culminating in a substantial year-long internship with one of CCU's select Teaching Churches. Students in this program develop ministry preparations and competency through both learning within the university classroom and practice within the local church.
