B. APPLICATION REQUIREMENTS

If you wish to use federal financial aid funds to pay for Summer 2019 courses, you must meet the following requirements:

- You must have a valid 2018-2019 Free Application for Federal Student Aid (FAFSA) on file at CCU to request federal aid.
- You must be enrolled in a degree program at CCU and take courses that count toward your current degree program.
- You must meet the terms of Satisfactory Academic Progress. Your progress will be reviewed after the end of the spring semester. If you are not meeting the requirements, your aid for summer will be cancelled or revoked.
- Pell Grant recipients will be awarded the grant amount remaining from the 2018-2019 award year, prorated based on enrollment status. In certain situations, eligible students can receive up to 150% of a scheduled Pell Grant award for an award year. Be sure you check the appropriate box in Section C to have your file reviewed for summer Pell Grant eligibility.
- Direct Loan amounts will be awarded from any remaining eligibility from the 2018-2019 award year. You must be enrolled at least half-time (5 hours–graduate, 6 hours–undergraduate) to borrow a Direct Loan for summer. Parents and graduate students may apply for Direct PLUS Loans, if needed. Summer PLUS Loan requests should be submitted through StudentLoans.gov.
- Federal loans should be requested **before** the start of your summer classes to allow time for processing. No federal loans may be processed after the end of your summer class sessions.

Please finalize your summer schedule before submitting this form to the Enrollment Services Office. We will review your class schedule and notify you via your CCU email account of any issues that may prevent you from receiving your requested loan.
